Dear Members,

It is with great sadness that we inform you of the passing of our esteemed colleague, Tom Fenn.

Tom was a valuable member of our team for the last 5 years, as an Examiner. His contributions to the company will always be remembered.

Before we had the honor of having him as a colleague at the SLA of Washington, Tom's insurance career began much earlier. With a Master's Degree in Business Administration from Pacific Lutheran University, he worked for 31 years as Senior Vice President – Casualty Client Advisor at Marsh & McLennan Companies, Inc., Client Advocate/Senior Vice President for Willis Towers Watson, and Risk Analyst for USI/Kibble & Prentice.

With an impressive career spanning four decades in the insurance industry, Tom loved to “talk shop” and would often regale us with stories from years past.

Tom was not only a respected colleague, but also a friend to many of us. He had a kind heart, a great sense of humor, and was always willing to help others. He was a devoted husband, father, and grandfather. He adored his wife Kathy, whom he shared nearly 52 years of marriage with, and he was incredibly proud of his children and grandchildren.

He will be deeply missed by his friends, colleagues, and family. The family is planning a memorial service for Tom, which will take place in a few months.

Tom's passing has left a void in our organization and our hearts, and we extend our deepest sympathies to his family during this difficult time.

In lieu of flowers, the family has requested that donations be made to the Fred Hutch Cancer Center.

With a heavy heart,  
**Surplus Line Association of Washington**
